Subject: Value of Contracts Concluded with Wytwórnia Podkładów Strunobetonowych S.A.

Content:

The Management Board of ZUE S.A. with registered office in Cracow (the “Company,” the “Issuer”) inform that they learnt on 2 March 2017 about the acceptance on the same day by Wytwórnia Podkładów Strunobetonowych S.A. with registered office in Mirosław Ujski (WPS) of an order for the supply of prestressed concrete sleepers to the Issuer’s subsidiary; i.e. Railway gft Polska sp. z o.o. with registered office in Cracow (Railway gft). Consequently, the total net value of orders/contracts entered into in the past 12 months between Railway gft and WPS amounted to approx. PLN 34m.

The abovementioned order for the supply of prestressed concrete sleepers to Railway gft is the highest value order (the “Order”) made in the reporting period. The net value of the Order is PLN 27m. The prestressed concrete sleepers will be supplied until December 2018.

The Order does not provide for any contractual penalties.

The remaining terms of the Order, including but not limited to the termination terms, do not differ from the standard terms of such type of transactions.

As part of its operations, Railway gft supplies tram and railway materials, including the materials required by the Issuer to execute its projects.
